## Dear Parents/Carers

I hope you are all well. It's been a big week for us as the Hemington shop and behaviour system have been launched. All pupils have a 10 card and for each 10 stamps/house points they get, they can go to the shop. House points are given for spotting readiness, responsibility and respect also showing fabulous learning and teamwork.

Each class has a behaviour ladder that starts daily with expected behaviour. The children then either stay where they are or climb up for an entry into the daily class prize draw, a certificate or a band in assembly. If behaviour needs some work then they are reminded to check themselves, missed some play or speak with me.

On Tuesday 26th it was International languages day. Class 3 worked with Class 1. Please see our photos on Facebook

Finally today is national teaching assistant day. I'd like to thank Mrs Pearson and Miss Uche for all their hardwork and the care they give our pupils. They are very much appreciated!

Have a great weekend!

Mrs Reay , Miss Timbrell and the Hemington Team.

**Class 3:** Tommy for giving 100% effort this week and promoting one of our 3R's—readiness!

They will be displayed proudly on our 'hall of fame' wall opposite the library.

Unless your child needs a phone for safety when walking home from school please ensure your child keeps their phone and electronic watches at home.

Those who need a phone will have theirs locked up in the classroom until the end of the day. This is for safeguarding and to ensure no photos of children are taken in the building and shared without permission.
